

# BIO-FRESH

## CARPET CLEANER AND ODOR ELIMINATOR

The  
Natural  
Way

### Description

**BIO-FRESH** is a natural solution for removing residual organics associated with stains from fabric including carpets and automobiles interiors. **BIO-FRESH** formulation consists of a synergistic blend of several selected *Bacillus* microorganisms. This blend of bio-strains provides excellent breakdown of organic waste materials. It is further enhanced with special biodegradable surfactants, and perfumes to safely and naturally produce instant odor control, quick cleaning action and effective organic removal.

### Benefits

- ◆ Quick cleaning action
- ◆ Eliminates organic fouling at the source
- ◆ Non-acid, non-corrosive, non-toxic
- ◆ Safe to handle and store
